About Activ8

Activ8 is Sport Northern Ireland’s campaign to challenge children and young people to be active for at least 60 minutes every day.

To be active in sport and physical activity you need the right building blocks to feel confident in doing an activity, these are:
- Agility
- Balance and
- Coordination

Learning your ABC’s helps you to be active and enhances your ability in sport and physical activity throughout your life which will also keep you fit and healthy. Fundamentals are normally developed as a child so that you can run, jump, throw, catch, pass, and kick. This is what we call ‘physical literacy’.

For more information about Activ8 visit: www.activ8ni.net

Why join an Activ8 Wildcats Club?

Activ8 Wildcats Clubs offer children in P1 to P3, a unique form of physical activity that helps to develop their ABC’s in a non-sport specific setting.

- Activ8 Wildcats Clubs are fully inclusive providing opportunities for boys and girls, regardless of physical ability.
- Activ8 Wildcats Clubs develop children’s skills for sport and confidence in a fun, safe, challenging and progressive way.
- Activ8 Wildcats Clubs provide links to local quality sport specific clubs.

Where can I join an Activ8 Wildcats Club in my area?

There are over 50 Activ8 Wildcats Clubs held at venues throughout Northern Ireland, usually in 10-week blocks starting in September of each year. For details of when and where your nearest club is visit www.activ8ni.net or contact your local Sports Development Officer.

Activ8 Wildcats Clubs are run by local councils or community/voluntary groups supported by Sport Northern Ireland. Many clubs have links to Sport Northern Ireland’s Active Communities Programme and coaching provided by the Active Communities Coaches. Visit www.sportni.net/activecommunities for more information on the programme in your area.
