

Audit and assessment of Ards and North Down Borough Council's performance improvement arrangements

Certificate of Compliance

I certify that I have audited Ards and North Down Borough Council's (the Council) assessment of its performance for 2020-21 and its improvement plan for 2021-22 in accordance with section 93 of the Local Government Act (Northern Ireland) 2014 (the Act) and the Code of Audit Practice for local government bodies.

I also certify that I have performed an improvement assessment for 2021-22 at the Council in accordance with Section 94 of the Act and the Code of Audit Practice.

This is a report to comply with the requirement of section 95(2) of the Act.

Respective responsibilities of the Council and the Local Government Auditor

Under the Act, the Council has a general duty to make arrangements to secure continuous improvement in the exercise of its functions and to set improvement objectives for each financial year. The Council is required to gather information to assess improvements in its services and to issue a report annually on its performance against indicators and standards which it has set itself or which have been set for it by Government departments.

The Act requires the Council to publish a self-assessment before 30 September in the financial year following that to which the information relates, or by any other such date as the Department for Communities (the Department) may specify by order. The Act also requires that the Council has regard to any guidance issued by the Department in publishing its assessment.

As the Council's auditor, I am required by the Act to determine and report each year on whether:

- The Council has discharged its duties in relation to improvement planning, published the required improvement information and the extent to which the Council has acted in accordance with the Department's guidance in relation to those duties; and
- The Council is likely to comply with the requirements of Part 12 of the Act.

Scope of the audit and assessment

For the audit I am not required to form a view on the completeness or accuracy of information or whether the improvement plan published by the Council can be achieved. My audits of the Council's improvement plan and assessment of performance, therefore, comprised a review of the Council's publications to ascertain whether they included elements prescribed in legislation. I also assessed whether the arrangements for publishing the documents complied with the requirements of the legislation, and that the Council had regard to statutory guidance in preparing and publishing them.

For the improvement assessment I am required to form a view on whether the Council is likely to comply with the requirements of Part 12 of the Act, informed by:

- A forward looking assessment of the Council's likelihood to comply with its duty to make arrangements to secure continuous improvement; and
- A retrospective assessment of whether the Council has achieved its planned improvements to inform a view as to its track record of improvement.

My assessment of the Council's improvement responsibilities and arrangements, therefore, comprised a review of certain improvement arrangements within the Council, along with information gathered from my improvement audit.

The work I have carried out in order to report and make recommendations in accordance with sections 93 to 95 of the Act cannot solely be relied upon to identify all weaknesses or opportunities for improvement.

Audit opinion

Improvement planning and publication of improvement information

As a result of my audit, I believe the Council has discharged its duties in connection with (1) improvement planning and (2) publication of improvement information in accordance with section 92 of the Act and has acted in accordance with the Department for Communities' guidance sufficiently.

Improvement assessment

In light of the impact of COVID-19 on Council services I have been unable to assess whether the Council has discharged its duties under Part 12 of the Act and has acted in accordance with the Department for Communities' guidance sufficiently during 2021-22.

I have not conducted an assessment to determine whether the Council is likely to comply with the requirements of Part 12 of the Act in subsequent years. I will keep the need for this under review as arrangements become more fully established.

Other matters

I have no recommendations to make under section 95(2) of the Local Government (Northern Ireland) Act 2014.

I am not minded to carry out a special inspection under section 95(2) of the Act.
