Category of Policy/Strategy/Plan

New

Please provide a short title which describes the activity being undertaken by the Public Authority that is subject to Section 1(1) of the Rural Needs Act (NI) 2016.

The Roundabout Sponsorship Policy purpose is to provide clarity for partners/sponsors as to the requirements when undertaking to sponsor a roundabout within Ards and North Down.

Please provide a description of the Policy/Strategy/Plan

Council will endeavour to enhance the appearance of roundabouts by agreeing sponsorship within strict guidelines without compromising Highway safety. It is intended to compliment the DFi document 'RSPPG E004' which covers in detail health and safety whilst working on/near the Department's roundabouts and verges amongst other such matters.

Please provide details of the aims and/or objectives of the Policy, Strategy, Plan or Public Service.

Although Ards and North Down Borough Council currently maintain many roundabouts within the Borough, it does not at present obtain any income, unlike many Councils in Northern Ireland. The guidance for the private funding and maintenance of roundabouts is set out in the DFi's guidance document RSPPG E004. For Ards and North Down Borough Council to start a sponsorship programme it would require a policy to clearly specify the roles of each partner and set out conditions for the review of agreements between partners.
