

KINNEGAR TO DONAGHADEE GREENWAY

PROPOSED ROUTE

The Council, in October 2017, engaged AECOM and Sustrans to commence the design of a greenway scheme between Kinnegar and Donaghadee. The current proposed route put forward as part of this pre-application community consultation is shown below:

DESCRIPTION

The proposed route is approximately 28.3km (17.6 miles) in length, starting at Airport Road West in Kinnegar, terminating at the Commons Park, Donaghadee. For most of the route, the proposed path is 3.0m width, increasing to 4.0m at structures (refer to Board 1 for example).

Where the existing path is of sufficient width / quality, no construction is proposed (denoted by yellow linetype in the drawing above); examples of these areas include Crawfordsburn Beach and Ballyholme Beach.
