Application to vote by post or proxy

If you are unable to go to your polling station to vote at the election on Thursday 2 May 2019, you can use this form to apply to vote by post or proxy. Please read these notes carefully before completing the form. If you have any questions please contact us (see below).

The deadline for the receipt of completed applications is 5.00pm on Wednesday 10 April 2019.

Completing the application form

- 1** Complete your personal details. The information you provide will be compared with the information previously given on your registration application to check that they correspond. For further information see the privacy notice on our website or contact us to obtain a paper copy.
- 2** Provide the reason for the application. Indicate where you expect to be on polling day and why you cannot reasonably be expected to vote in person at your polling station, for example "I will be away on holiday in (enter the precise location). I leave on (give date of departure) and return on (give date of return)." If the application is because of physical illness provide full details of that illness. **Please ensure you provide sufficient detail to support your application or your application may be refused.**
- 3** **Voting by post.** Tick the box if you want your ballot papers sent to you at your registered address given at Section 1. If you want your ballot papers to be sent to a different address than your registered address, you must provide a reason for this. Postal votes will be issued approximately two weeks before the election. If you will not be at home from then until Thursday 2 May, you should appoint a proxy.
- 4** **Voting by proxy.** If you want someone else to vote on your behalf you must appoint him/her and give his/her details. Your proxy must be aged 18 or over and a British, Irish, European or Commonwealth citizen.
- 5** If you registered online you must also give your **Digital Registration number (DRN)**. Your application will not be accepted without it. This number will have been sent to you by the Electoral Office on a Certificate of Registration when your online registration application was approved.
- 6** Sign the form to verify that the information provided is correct. If you cannot sign the form because of a disability or because you are unable to read, and you either registered online or were unable to sign your registration form for the same reason, you must ask a witness to complete the Witness Declaration.
- 7** Have the form attested to verify that the reason you have given for requiring a postal or proxy vote is correct. **If your application is not attested it will be refused.**

Choose to vote by post or proxy.

3 **Voting by post.** Tick the box if you want your ballot papers sent to you at your registered address given at Section 1. If you want your ballot papers to be sent to a different address than your registered address, you must provide a reason for this. Postal votes will be issued approximately two weeks before the election. If you will not be at home from then until Thursday 2 May, you should appoint a proxy.

Note: If you apply to vote by post and your application is approved you will **not** be able to vote at a polling station unless you cancel your postal vote – the deadline for cancelling a postal vote is 5.00pm on Wednesday 10 April.

- 4** **Voting by proxy.** If you want someone else to vote on your behalf you must appoint him/her and give his/her details. Your proxy must be aged 18 or over and a British, Irish, European or Commonwealth citizen.

A person can only be the proxy for a spouse/civil partner, parent, grandparent, brother, sister, child or grandchild and up to two other people at the same election. Your proxy must go to your polling station to vote, or they can vote by post. If your proxy requires a postal vote please contact us for guidance.

If the reason is illness, Declaration A must be completed by either a registered medical practitioner (i.e. a doctor), a registered nurse or a Christian Science practitioner. That person must be listed on the electoral register and treating the applicant in connection with the illness or providing care to them.

For any other reason, Declaration B must be completed by someone who:
