Refusal Reason for LA06/2025/0095/F

The Proposal is contrary to the Strategic Planning Policy Statement (SPPS) for Northern Ireland and Policy EXT1(b) of the Addendum to Planning Policy Statement 7 (APPS7) Residential Extensions and Alterations, in that it would unduly affect the residential amenity of the neighbouring property at No.14 The Brae, Groomsport by reason of an unacceptable loss of privacy and an unacceptable increase in the level of noise and general disturbance.
