

Ballywalter Environmental Improvement Project

Public Consultation Slides

ANDBC Environmental Improvement Projects

2025.09.30

Proposed extent of the project – Ballywalter

Hardworks

Granite Paving Band Setts
100 x 100 x 80 mm
Colour: Buff and brown

Wider bands at crossings
with narrower bands along
the Main Street

Asphalt resurfacing of
pedestrian pathways where
required

Granite kerbs

Site Furniture

Proposed benches to match existing benches

Existing Seating – to be treated

Bins to match existing bins

Planting

Swale planting to retain water and soften the streetscape of the Ballywalter.

Dropped kerbs will allow for water to collect and the plants to remediate the water.

Proposed Trees –

Acer campestre 'Queen Elizabeth', Maple

Hippophae salicifolia 'Robert', Sea buckthorn.
