(1) Resident rates

A resident is defined as a person(s) living within the Ards and North Down Borough Council area at the time of death. Proof of residency will be required.

Former residents of the Borough who have had to move to a care facility outside of the Council area, will be considered a resident. Proof of previous residency will be required.

Former residents of the Borough who left to receive treatment or care from a relative leading up to the time of their death will be classed as residents (medical evidence is required in this instance).

Persons who have been resident in a care home within the Borough for 2 years or more will classed as residents.

(2) Non-Resident Rates

Cemetery Charges 1st April 2026 – 31st March 2027

A non-resident is a person who lives outside of the Ards and North Down Borough Council area.

Additional to the above, a resident fee will also be charged if there is evidence of “imminent residency” as set out below, all three pieces of evidence must be received for this to apply:

- Evidence provided that other statutory authorities had provided a new form of identification such as a driving licence to the deceased within three months prior to the date of death that included an address within the Borough.
- Evidence of an imminent return to the Borough, such as flight tickets or other evidence of travel arrangements.
- Evidence that this return was intended to be permanent at the time, evidence would include a tenancy or mortgage agreement.
