**Subject:** LDP Draft Plan Strategy (DPS) – Re-consultation Representation

Dear Sir/Madam,

I write in response to the Council's **re-consultation on the Local Development Plan Draft Plan Strategy (DPS)** commencing January 2026.

I am the owner of a plot of land located at **Newton Ford, Map Ref: 116155E3, 13203NE, Donaghadee**, which falls within the Ards and North Down Borough Council area. I wish to formally register my interest in the progression of the Local Development Plan, particularly with respect to the future **Local Policies Plan (LPP)** stage, and to reserve the right to make site-specific representations at that time.

While I am not submitting a detailed "soundness" representation at this DPS stage, I wish to note my general support for sustainable growth in and around Donaghadee, consistent with regional planning policies and local housing needs. I request that the Council keeps me informed of all future stages of the LDP process, including public consultation periods and opportunities to promote specific sites.

Please confirm receipt of this representation and ensure that my details are included in the Council's database of interested parties for the purposes of future consultation notifications.

Yours faithfully,

**Maureen Al Amer**
