The Northern Ireland Census 2021 (NISRA) statistics for the Borough area show the religious group the person belongs to or for people with no current religion their religious group of upbringing. People with no current religion and no religion of upbringing are labelled 'None'.

On Census Day 2021 in Northern Ireland just under one person in five (19.0%) either had 'no religion' (17.4%) or 'religion not stated' (1.6%). Nearly one person in three in Ards and North Down (32.1%) had 'no

religion' or 'religion not stated' On census day 2021 bringing together information on current religion and religion of upbringing, 45.7% of the population were either Catholic or brought up as a Catholic, while 43.5% were recorded as 'Protestant and other Christian (including Christian related)'. Again, bringing together information on current religion and religion of upbringing, 1.5% of the population are classified as 'other religions' and 9.3% of the population identified that they neither belonged to nor were brought up in a religion. This points to the increasingly secular nature of the population ('None').

Marital Status (External)

Statistics classifies people aged 16 and over according to their legal marital or civil partnership status on Census Day 21 March 2021. The law in relation to marriage and civil partnership changed in the ten years to 2021. A summary of the changes in Northern Ireland is given below:

- civil partnership for opposite-sex couples became legal in late 2019;
- marriage for same-sex couples became legal in 2020; and
- in late 2020 a couple in a civil partnership could convert their status from civil partnership to marriage.

The rise in the 'single' population and the fall in the 'married' population here is in line with results from recent censuses in England and Wales. These figures mirror changes in society and specifically in personal relationships that has been witnessed over the last 50 years. Ards & North Down LGD, which has the oldest demographic profile of all 11 LGDs, has the highest percentage of adults who were widowed, at 8%.

Statistics show that 2.1% (31,600) of NI population aged 16 and over identified as ‘lesbian, gay, bisexual or other (LGB+)’ and 90.0% (1,363,900) identified as ‘straight or heterosexual’. More urban LGDs have a higher percentage of people who identified as LGB+. Almost 8% of our population aged 16 and over (119,300) either ticked ‘prefer not to say’ or chose not to answer the question. Taken together, these are labelled ‘No sexual orientation stated’ in these statistics.

8.8% percent of people who identified as LGB+ in Northern Ireland live in the Ards and North Down Borough, Statistics also show that 800 Households in the Borough are living in a same sex couple relationship.

Appendix - Disability

Disability (External)

A self-assessment of whether a person has a long-term health problem or disability that limits daily activities and which has lasted, or is expected to last, at least 12 months. It includes problems that are due to old age. The 2021 Census (NIRSA) demonstrates an increase of 15% or more in the percentage of people who reported a long-term health problem or disability which limited day-to-day activities. 41,300 or 25.3% of people in Ards and North Down had a limiting long-term health problem or disability. Ards & North Down experienced an increase of 31.4% from 2011. These changes are in part a reflection of the Boroughs ageing population.

The following statistics show a breakdown in residents in Northern Ireland and Ards and North Down borough with a Disability that is expected to last 12 months or more.

The figures show that 7.2 per cent of the Borough have deafness or partial hearing loss, 68% being over the age of 65. 2% have blindness or partial sight loss, 11% of those people are aged 0-39 years. 1.6 % have mobility or dexterity difficulty that requires the use of a wheelchair, in comparison to Northern Ireland statics this means that 9.3% of all those who have mobility or dexterity difficulty that requires the use of a wheelchair reside in the Borough.

0.8% have an intellectual or learning disability including dyslexia and Downs Syndrome. 1.6% have Autism or Asperger syndrome, 49% are between 0-14 years whilst 40% are aged 15- 39 year. 8.1 % have an emotional, psychological or mental health condition, includes depression and schizophrenia, this is highest in the age ranges of 40 – 64 years (47%). 2% have frequent periods of confusion or memory loss, including Dementia, this is most prevalent with ages 65+. 10% of residents have another condition, for example Cancer, Heart Disease or Diabetes, again this is most prevalent in age 65+. Taken together these results show that policy making must consider Ards and north Down aging population and health and disability issues as well as recognition for those that provide unpaid care throughout the Borough.

Appendix - Dependants

Dependants (External)

For the Purposes of S75 a dependant can be classed as Persons with personal responsibility for the care of a child; for the care of a person with a disability; or the care of a dependant older person.

In Census 2021 one person in eight of NI population aged 5 or more (or 222,200 people) noted that they provided unpaid care. One important point to note in Policy making is that 2,600 children aged 5 to 14 in Northern Ireland provide unpaid care.

Ards & North Down LGD had the highest percentage of people who provide unpaid care throughout Northern Ireland , 13.7% estimated at 30,414 residents. 'Unpaid care' covers looking after, giving help or support to anyone because they have long-term physical or mental health conditions or illnesses, or problems related to old age

A dependent child is a person aged 0 to 15 in a household (whether or not in a family) or aged 16 to 18 in full-time education and living in a family with his or her parent(s) or grandparent(s). 'No dependent children' includes households with no children and households where all children are non-dependent.

In Ards and North Down there were 27,822 Children (defined as those aged 0 to 14). Children make up 19.2% of the Northern Ireland population. This percentage varies across the Local Government Districts and is lowest in Ards and North Down where the proportion is 17.0%.

According to Birth statistics on NISRA Ards and North Down recorded 2,854 births between 2020 and 2022 , giving an indication of the numbers using buggies or prams in use.

<p>Social Value - Will the activity lead to the creation of works or services? Are there opportunities to support apprenticeships or training opportunities to combat social exclusion? Are there any opportunities to work with organisations with an environmental or social mission (e.g., from the VCSE sector)?</p> <p>Note: If the answer is yes, select positive.</p>	No Impact
<p>Human and labour rights - Will there be provisions to ensure workers up the supply chain have their human and labour rights respected?</p> <p>Note: If the answer is yes, select positive.</p> <p>Additional information:</p> <p>Products at high risk of the use of child labour and contravention of human and labour rights include electronic equipment, textiles, agricultural commodities and construction materials.</p>	No Impact

5. What impact will the proposals have on greenhouse gas emissions, including energy and transport?

	What is the impact of the activity?
<p>Greenhouse Gas Emmissions - Will this activity have a positive or negative impact on greenhouse gases (most commonly caused by fossil fuel burning or deforestation)?</p> <p>Additional information:</p> <p>Greenhouse gases include CO2, CH4, N2O, HFCs, PFCs or SF6. The most common sources include consumption of brown (non-renewable) electricity, burning of coal, oil, petrol, diesel, natural gas, emissions from landfill sites, and the destruction of natural carbon sinks such as peat bogs, woodlands, forests, grasslands, freshwater lakes, and wetlands.</p>	No Impact

	What is the impact of the activity?
<p>Energy - Will the activity reduce energy demand through energy efficiency and low-carbon technologies?</p> <p>Note: If the answer is yes, select positive.</p> <p>Additional information:</p> <p>Will energy come from renewable energy sources e.g., solar, wind etc.? Will buildings be designed and constructed to high energy and environmental standards?</p>	No Impact
<p>Transport - Will the activity be accessible to everyone via active travel (Bike/walking) or public transport? Does the proposal help to reduce non-essential travel and individual car use?</p> <p>Note: If the answer is yes, select positive.</p>	No Impact
<p>Embodied carbon - Will the activity use materials from 'heavy industries' such as cement, concrete, iron and steel, or require international transportation of materials using aviation or shipping?</p> <p>Note: If the answer is yes, select negative.</p>	No Impact

6. What impact will the proposals have on waste generation or how waste is managed?

	What is the impact of the activity?
<p>Waste generation - Will this activity lead to the production of waste?</p> <p>Note: If the answer is yes, select negative.</p> <p>Additional information:</p> <p>Have you considered how to reduce waste through demand management and re-use strategies which support the circular economy?</p>	No Impact
<p>Waste Management - Is waste going to be managed in a responsible, sustainable way?</p> <p>Note: If the answer is yes, select positive.</p> <p>Additional information:</p> <p>Will waste be monitored? What recycling provisions are there? Will any waste be sent to landfill?</p>	No Impact

7. What impact will the proposals have on the direct consumption of natural resources, including materials, minerals and fresh water?

	What is the impact of the activity?
<p>Materials - Will this activity lead to the consumption of raw materials? (Raw materials include steel, oil, corn, grain, gasoline, wood / forest resources, plastic, natural gas, and coal).</p> <p>Note: If the answer is yes, select negative.</p> <p>Additional information:</p> <p>Can materials be swapped or reduced, to minimize pressure on natural resources and reduce environmental impact?</p>	<p>No Impact</p>
<p>Will lifecycle costing exercises be used in procurement (e.g., if purchasing vehicles, energy-intensive equipment or major capital projects) in order to minimise the consumption of natural resources and achieve value for money</p> <p>Note: If the answer is yes, select positive</p>	<p>No Impact</p>
<p>Fresh water - Will this activity increase pressure on freshwater resources through direct water consumption?</p> <p>Note: If the answer is yes, select negative</p>	<p>No Impact</p>
<p>Will the activity impact on the public's ability to access a clean and safe water supply?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional information:</p> <p>Unsustainable water consumption includes use of mains water or other freshwater supplied without water efficiency or recycling measures.</p>	<p>No Impact</p>

8. What impact will the proposals have on local resilience to the adverse effects of climate change and severe weather events, including drought, landslips, flooding and sites designated as being at risk of flooding or sea level rise?

	What is the impact of the activity?
<p>Adverse Weather and Climate Impacts - Will buildings, infrastructure, or natural assets be at risk to the adverse effects of climate change and extreme weather?</p> <p>Note: If the answer is yes select negative</p> <p>Additional Information:</p> <p>For Northern Ireland, climate change is causing hotter, drier summers and warmer, wetter winters with more extreme weather and rising sea levels.</p> <p>A precautionary approach is advised for all planning and construction decisions, taking into account the latest UK Climate Change Projections and making sure that development is not permitted on flood plains and / or land at risk of flooding under future climate scenarios.</p> <p>Avoid activities that may be vulnerable to overheating or flood risk.</p> <p>New assets (e.g. landscaping, buildings etc.) should be future proofed, ensuring all investments are resilient to current and future climate conditions.</p>	<p style="text-align: center;">No Impact</p>

9. What impact will the proposals have on the local environment (e.g., air/water/soil pollution, land conversion, visual impacts, traffic, noise, vibration, odour, dust, particulates, smoke), heritage (including designated heritage, archaeology sites or listed buildings) and wildlife (including protected sites and species)?

	What is the impact of the activity?
<p>Air pollution - Will the activity produce air pollutants?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional Information:</p> <p>Air pollutants include: Particulate matter (PM10 and PM2.5); Ozone (O3) Nitrogen dioxide (NO2); Carbon Monoxide (CO); Sulphur Dioxide (SO2).</p> <p>The most common causes of air pollution are:-</p> <ul style="list-style-type: none"> • Fuel combustion from motor vehicles (e.g. cars and heavy-duty vehicles) • Heat and power generation (e.g. oil and coal power plants and boilers) • Industrial facilities (e.g. manufacturing factories, mines, and oil refineries) • Municipal and agricultural waste sites and waste incineration/burning. 	<p>No Impact</p>
<p>Ozone layer depletion - Will this activity produce ozone depleting substances (fluorinated gases)?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional Information:</p> <p>Fluorinated greenhouse gases (F gases) include:</p> <ul style="list-style-type: none"> • hydrofluorocarbons (HFCs) • perfluorocarbons (PFCs) • sulphur hexafluoride (SF6) <p>For example through the use of refrigeration and air conditioning units.</p>	<p>No Impact</p>

	What is the impact of the activity?
<p>Water/soil pollution - Will this activity involve any construction work, street works or road deliveries of construction materials or other goods?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional Information:</p> <p>Soil and water pollution is caused from damaging rainwater run-off arising from road surface treatments, tyre abrasion, fuels and lubricants.</p> <p>Procurement and contractual mechanisms can be used to ensure that building and civil engineering contractors adhere take steps to ensure pollution is prevented from occurring or from dispersing to other areas. Contractors can minimise the use of all substances that could cause pollution and failing that, implement and communicate procedures to ensure the correct disposal (or release) of substances that could cause pollution.</p>	<p>No Impact</p>
<p>Chemical pollution - Will there be any use of toxic chemicals including pesticides, paint or cleaning products?</p> <p>Note: If the answer is yes, select negative</p>	<p>No Impact</p>
<p>Will there be any excess fertiliser use that could result in nitrogen or phosphorus runoff?</p> <p>Note: If the answer is yes, select negative</p>	<p>No Impact</p>
<p>Noise pollution - Is the activity likely to create a noise nuisance?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional information:</p> <p>Noise pollution can have detrimental effects on human health, amenity, productivity and the natural environment.</p> <p>Eliminating or reducing excessive noise is a legal responsibility and helps to limit the disturbance of residents and businesses, caused by activities and operations.</p>	<p>No Impact</p>

	What is the impact of the activity?
<p>Land conversion - Will this activity result in the reduction in the area of forested land, directly or indirectly?</p> <p>Note: If the answer is yes, select negative</p> <p>Additional information:</p> <p>Deforestation usually arises from the clearing of land for development, agriculture, or logging for paper, wood, or minerals.</p>	No Impact
<p>Built Heritage - Will this activity impact on designated heritage sites such as a World Heritage Site, Scheduled Monument, Archaeology Site, Listed Building, Protected Wreck Site or Registered Park and Garden?</p> <p>Note: If the answer is yes, select negative</p>	No Impact
<p>Natural Heritage and Biodiversity - Will this activity result in any displacement or loss of biodiversity, overfishing or affect protected or designated sites (e.g. ASSIs, SPAs etc).</p> <p>Note: If the answer is yes, select negative</p> <p>Changes in land use exert the most significant effect on biodiversity. These changes include the conversion of natural ecosystems into agriculture or into urban areas; changes in frequency, duration or magnitude of wildfires and similar disturbances; and the introduction of new species into land and freshwater environments.</p>	No Impact

10 What impact will the proposals have on ensuring peace, justice, public participation and partnership working for sustainable development?

	What is the impact of the activity?
<p>Peace - Will this activity have a negative or positive impact on community safety, crime or anti-social behaviour?</p>	No Impact
<p>Justice - Are there safeguards in place to prevent against bribery and corruption?</p> <p>Note: If the answer is yes, select positive</p> <p>Decision making should be open and transparent with clear governance and accountability arrangements.</p>	No Impact

	What is the impact of the activity?
Political voice - Are citizens involved and do they have a role in deciding what happens and how it gets implemented? Note: If the answer is yes, select positive	No Impact
Partnerships - Will this activity involve working with others either locally or at a national level to contribute to the achievement of sustainable development? Note: If the answer is yes, select positive	No Impact

On the basis of the answers to the screening questions, I recommend that this policy / decision is

Screened Out - No negative impacts

1. Is Data Protection relevant to the Policy, Strategy, Plan or Public Service?

Yes

2. Is the introduction or change of this policy or processing activity likely to result in a high risk to individuals' interests, including physical, material or non-material damage?

No

3. Explain broadly what the policy/strategy/plan or public service aims to achieve and what type of processing it involves.

The Arts and Heritage Funding aims to provide support to arts and heritage activities within the Borough. The arts bursaries are part of that funding. Personal information will be used to keep in contact with the successful participants throughout the duration of their bursary journey.

4. Describe the nature of the processing

The Council will collect the names and contact details of individuals applying for the bursaries. The information is emailed to a shared inbox with access limited to relevant officers and administrators. The information will be collected with an appropriate privacy notice in place to ensure transparency. There will be a data protection statement at the end of the application form that all applicants must sign that they have read and understood. The information will be stored electronically on Council systems, with access limited to relevant officers. It will be held for the duration of the event and for 7 years from the date of the close of the funding when it will be destroyed. The information will be used to assist in the administrations, management and audit of the funding.

5. Describe the context of the processing

The Council will collect the names and contact details of applicants applying for financial support. Applicant groups will also supply bank statements and most recent accounts. Applicants to the Arts and Heritage Funds are made aware that, for audit purposes, the Council will be legally required to retain the information for the appropriate retention period. They also sign up to a Data Protection Statement - the statement at the end of the application form reads: Ards and North Down Borough Council values your right to personal privacy. We collect this information

solely for the purposes of this application and do not share it with anyone. We comply with the DPA (Data Protection Act) 2018 and UK GDPR (General Data Protection Regulation), ensuring that information is collected fairly and lawfully, is accurate, adequate, secure, up to date and not held any longer than necessary.

6. Describe the purposes of the processing.

The purpose of processing the information is to enable Council to support artists in the borough in their professional development. We don't require financial information as the bursaries are paid directly to the arts organisations providing them.

7. Consultation

No consultation necessary as individuals will be advised, at the point of collection, how their information will be used.

8. Necessity and Proportionality

The lawful basis for processing will be article 6(1)(b) of the GDPR 2018, and the DPA (Data Protection Act) 2018 as the information is required to be collected for the administration of the Arts and Heritage Funding. There is no other way to achieve this outcome.

There will be no function creep as the information will only be saved on Council computer systems in a secured folder with minimal officer access and will not be shared with anyone.

9. Identify and assess risk

	Describe the source of risk and nature of potential impact on individuals. Include associated compliance and corporate risks as necessary.	Likelihood of harm	Severity of harm	Overall risk
Details	risk of personal data being sent to the wrong person and Council email hack	Possible	Significant	Low

10. Identify measures to reduce risk

	Risk	Options to reduce to eliminate risk	Effect on risk	Residual risk	Measure approved
Details	risk of personal data being sent to the wrong person and Council email hack	<p>applicants can hand deliver applications into the hands of relevant officer.</p> <p>Applicants are also advised to encrypt emails that contain financial information and contact relevant officer vis telephone with the password. They could also use Zivver.</p>
